neat house, in a quiet environment. The apartment is surrounded by balconies, has a southern orientation, while the western part of the apartment overlooks the forest and greenery. It is well maintained, and the current owners plan to replace the exterior woodwork. Along with the apartment, 450 m² of construction land is sold, as well as a large garden of 323 m² with a garage, all of the above is sold together with the previously described apartment of 122 m². Considering the position of the house, it is an excellent, quiet location, at the end of a dead-end street. You don't find a property with a construction site and garden facing south, with a wonderful panoramic view every day! ID CODE: 10885
