### Description

Description: Poreč area, land with project, building permit and sea view! In a quiet place with a beautiful view of the sea, a spacious building plot is for sale with a project, paid

utilities and a valid building permit. The land has a regular shape and is located on a slightly elevated part of the settlement. The project includes an Istrian stone villa with four bedrooms with bathrooms, a pool in the yard and its own well and water tank, and it is possible to install solar panels so that the villa would be completely independent. Gradić is a very picturesque and lively place in Istria County. It is located in the western part of Istria in the area between the river Mirna in the north and the Lim channel in the south, and only 14 kilometers from the city of Poreč. The small town is located on a gentle hill of 244 m above sea level, surrounded by meadows, arable fields and forests. Facilities such as shops, catering facilities, school, kindergarten, children's playground, quiet and pleasant walks are located in the village just a few minutes' walk away. This property is an ideal investment for a tourist rental, and at the same time for enjoying with the family during the winter holidays. ID CODE: 1031-693
