Description

Description: Central Istria, a beautiful villa with three residential units in a quiet location. In a quiet place near the very heart of Istria, we are selling a beautiful villa with a total area of 239m² on a spacious plot with a total area of 1521m². The house has a main entrance and as soon as you enter the corridor, there are three separate entrances to the apartments. The first floor consists of two bedrooms, a bathroom, a toilet, a kitchen connected to the living room and access to a spacious covered terrace with access to the swimming pool, sunbathing area and a large summer kitchen. Also on the first floor there is another apartment in which there is a kitchen connected to the living room, three bedrooms, one of which has a terrace overlooking nature, a bathroom and a storage room. On the outside, there is a garage with an entrance to the house that connects to the main hallway, and there is also a storage room above the garage in the attic. The hallway connects to the basement of the house, where there is a living room connected to the kitchen, two bedrooms, a bathroom and a storage room. The property consists of three apartments that can be used separately, but it is also possible to use them as a unit. The house was built in 2012, and the pool was completely renovated in 2022. The issue of heating and cooling was solved by installing an air conditioner and a stove that is heated by pellets and wood. The villa also has solar panels for hot water and an irrigation tank. The property has a well-established tourism business and offers future owners the continuation of work. This property is a complete tourist investment and will pay you back in a short time.
