You can cycle or walk along the cycle paths along the sea coast, through the rural hinterland, through Mediterranean groves with the remains of castles, prehistoric forts, churches and rustic villas. In the suburbs of the city of Poreč, we offer you a new detached house that is waiting for its new owner. The total net area of this beauty is 188 m² and consists of two floors. On the ground floor there is a spacious living room, dining room and kitchen according to the open space concept, as well as three bedrooms and a bathroom. We climb the elegant staircase to the first floor, where there are two more spacious bedrooms with access to a common terrace with a view of the forest and partly of the sea. Large glass walls are installed throughout the living room and dining room, which allow a large influx of sunlight, which gives the space itself a large source of light. There is enough space in the yard to build a smaller pool. The house is heated by underfloor heating, and each room has separate heat regulation, two air conditioners and a chimney with the option of installing a pellet or wood stove.
