decoration runs through the entire house, and every room is air-conditioned. The space in the house is organized so that the house extends over a total of 3 floors (ground floor + 2 above-ground floors); * The ground floor is designed as a living space, that is, a space in which there is a modern and equipped kitchen with a dining room and a spacious living room. In the same space there is a smaller toilet. Further on, the other two floors are accessed by an internal communication via a beautiful illuminated and decorated internal staircase that enhances the visuality of the entire space. * On the 1st floor there is a larger and spacious bedroom with its own bathroom, while on the 2nd floor there is another slightly smaller bedroom with its own bathroom and a private terrace. From the same terrace there is a view of the rest of the old town and the greenery. Considering the location of the house and the quality of its equipment, it is possible to move in almost immediately, but the house can also be used as an opportunity for your own tourist investment and thus ensure a safe and stable return on investment. LOCATION; Given that the house is located in one of the most visited places in Croatia, in the romantic and unmissable town of Rovinj, it is an ideal opportunity for all those who are looking for their own corner of a little paradise or for all those who are looking for their own business opportunity. The house is located in the center of Rovinj, but in a peaceful and quiet street without restaurants and cafes, which we consider an advantage considering that there is no noise and crowd during the summer months. All the numerous and well-known restaurants and cafes are only a 2-minute walk away, while the famous Rovinj waterfront is a 4-minute walk away, and one of the most famous beaches of Rovinj, almost in the very center of the city, is only a 7-minute easy walk away. Shops, a bus station and everything needed for safe and peaceful living are in the immediate vicinity. For any additional information, feel free to contact us!
