Description

Description: Rovinj is one of the most beautiful cities in Croatia. Whoever visits Rovinj once, hardly forgets it and most often returns to it again. The beauties of Rovinj often leave a deep mark, so the connection with it extends for generations. Rovinj is located on the western side of the Istrian peninsula, and extends north of the Lim channel and south to Bal. It is adorned by an extremely indented archipelago with as many as 14 islets and 6 rocks. Rovinj is the strongest tourist center in Croatia and has been recording a record 3 million overnight stays during the season for several years in a row. Rovinj's beaches are typical for this part of the northern Adriatic. You will most often find rocky gardens and pebble coves that repeat rhythmically along the 67 kilometers of Rovinj coastline. The Zlatni rt forest park, which is located in the southern part of the city, will also enchant you. Walking, running, cycling and swimming in the hundred-year-old protected park are unique experiences to remember. Near Rovinj there is this antique in a very attractive location. The house covers 200 m² and needs to be renovated. The house has a use permit. The plot has 1355 m² and is regularly maintained. Due to the location where the property is located, there are various construction possibilities. Custom ID: D-115 Remark: Viewing the property is possible with the signing of the brokerage contract, which is the basis for further actions related to the purchase and sale, all in accordance with the Act on Brokerage in Real Estate Transactions. The agency commission is determined by the brokerage contract, and is payable after the conclusion of the sales contract.
