Description

Description:

Istria, Vodnjan, A beautiful secluded station with great potential is for sale. Stancija or dvori is a construction and economic complex based on a family cooperative as an economic unit and connected with the economic use of space based on contract law from the period of the last colonization of Istria in the 17th and 18th centuries. The station with an area of 33,090 m² is surrounded by a dry wall and on it are the outlines of a once beautiful building registered in the title deed. The station has a large flat area ideal for various purposes: forestry and hunting, hospitality-tourism, crop production, animal husbandry, fishing, aqua culture, etc. This station is an ideal investment for achieving personal business success in a quiet place and beautiful surroundings.
