Description

Description: Istria, Pula, surroundings we are selling land with a conceptual project in a quiet station surrounded by green areas. it is well connected to all important facilities and from the center the city is 10 minutes away. The land is rectangular in size,

630 m2, surrounded by greenery and forest. near the shopping center and well connected to other facilities. An additional advantage is the excellent connection with the highway, and the land also has a conceptual project. This land is a combination of peace and greenery, and its location connects you with excellent beaches in different destinations, some of which are far away. only 15 minutes and as such is an ideal investment for raising a family in a natural environment or for a tourist rental.
