Description

Description: Great investment opportunity! We are selling a stone Istrian house with a swimming pool, just 15 kilometers from the beautiful beaches of Rovinj. The house consists of two bedrooms and a bathroom located on the first floor and a living room with kitchen, dining room and bathroom on the ground floor. The yard is completely paved with stone, and not far from the house there is a covered grill and a table in the yard. The house represents an excellent investment opportunity considering the current real estate prices on the market, and the seller himself is willing to make a certain price correction.
