Description

Description: Istria, Vodnjan For sale is an attractive building plot with a total area of 3,273 m² in beautiful Vodnjan with a view of the sea. In addition to the exceptional view, the land is located near beautiful beaches and all necessary facilities, including

shops, restaurants and other attractions. The location is ideal for those who seek peace and privacy, but want to be close to all the pleasures of coastal life. Given its surface area and purpose, this land allows the construction of two duplex houses, each with its own yard. The land has access to infrastructure, which facilitates the construction process. The plot is cleared and fenced with dry wall. The access road is possible from three sides. Due to its position, this land has great potential for realizing business or investment ambitions!
