Description

Description: In the vicinity of Barban, in a small settlement with only a few family houses, we are selling this beautiful plot. The land with a total of 1304 m² is completely within the construction zone. An access road is provided directly from the public

area, and the necessary water and electricity infrastructure is located right next to the plot. The terrain has a slight slope, which ensures an open view of the surrounding nature and landscape, while the convenient east-west orientation ensures that the plot is exposed to sunlight throughout the day. The location of the land is ideal for building a holiday home with a swimming pool in a quiet area, surrounded by greenery. The town of Barban is 3 km away, and the first store is 1 kilometer away.
