#### Description

Description: We are selling a nice building plot in a small village near the medieval town of Barbana. The terrain has a total construction area of 1215 m<sup>2</sup>. The access road is provided from an asphalted road and the terrain has a slight slope, which gives it

an open view of the surrounding greenery and nature, while the convenient orientation of the terrain ensures enough sunlight throughout the day. Infrastructure for water and electricity is located right next to the plot. The location is ideal for a family house, considering the proximity of the town of Barban and all the facilities necessary for a permanent life, but also for a house for a vacation in the peace and quiet offered by this beautiful little place.
