Description

Description:	<p>Galižana (Italian: Gallesano), a settlement north of Pula, which has a rich historical heritage, as evidenced by numerous archaeological finds from the Roman era, which are stored in the Archaeological Museum of Istria in Pula. The settlement has historical and urban continuity. The proximity of Pula and Vodnjan make Galižana the choice of young families who want to take advantage of the benefits of a natural and peaceful environment, while still not giving up urban amenities. Galižana is also visited by many tourists who, in addition to the historical heritage, can enjoy gastronomic delicacies and the proximity to the sea. Precisely in Galižana, we present this extremely high-quality one-story house with a surface area of 121 m². It is located on a spacious plot of 1200m² surrounded by 50-year-old olive trees that provide you with all possible intimacy. In addition to the quality of construction, this exceptional one-story house will knock you off</p>
