Description

Description:	ISTRIA, BARBAN - New detached house with complete privacy Barban is a small picturesque medieval acropolis-type settlement in Istria, located above the Raša river valley, only 20 kilometers from Pula and 12 km from Labin. It is known for the knightly game of the Race to the Ring, which is traditionally held in August, the festival of figs and fig groves, and other smaller events that have developed over the last ten years, since rural tourism has been rapidly developing. For sale is a detached one-story house in the final stage of decoration. It consists of an area of 110 m ² distributed through a kitchen, dining room and living room, 3

bedrooms and a bathroom. The facility is fully air-conditioned, and heating is provided with a wood stove. The attic has an entrance via an external staircase, and since it is not of standing height, it serves as a storage room. Increasing the height of the attic would give the possibility of creating an additional residential unit. The yard has an area of 534 m² and provides complete privacy, given that it is surrounded by agricultural land. An ideal property for a peaceful family life, lovers of peace, quiet and nature. Dear clients, the agency commission is charged in accordance with the General Business Conditions:
