Description

Description: The town of Tar-Vabriga is located on the beautiful peninsula of Istria in Croatia. This picturesque area abounds in rich natural beauty, historical sights and Mediterranean charm. Tar and Vabriga are two neighboring settlements that together form this idyllic area. Surrounded by beautiful landscapes, forests, olive groves and vineyards, Tar-Vabriga attracts tourists who want to escape from everyday stress and enjoy a relaxed lifestyle. The beautiful villa is located on a

plot of 854 m2. It covers a residential area of 296 m2. It was designed and decorated with a lot of attention and high-quality materials and stands out for its luxurious standards. The entire villa is illuminated with ambient lighting, adding an extra charm to it. The ground floor of the villa consists of a spacious living room, kitchen and dining room decorated according to the open space concept, a bathroom, a storage room and a separate room that serves as a wellness oasis with a sauna and jacuzzi, with an exit to the garden and pool. Large glass walls in the living room bring in plenty of natural light. Also, from the living room there is access to a covered terrace with a summer kitchen and barbecue. An elegant staircase leads to the first floor where there are four bedrooms, each with its own bathroom. Three of these rooms have private covered terraces that offer a beautiful view of the sea. The villa also contains a basement that can be arranged as a "play room" for extra fun on rainy days. The heating of the villa is provided by floor heating on a heat pump, and for summer days, there are air conditioners. There is a swimming pool with a swimming pool and an outdoor shower in the garden. The pool uses salt water and is heated, providing enjoyment throughout much of the year. The villa is located just a few minutes' drive from beautiful beaches, and its view of the sea is breathtaking.
