Description

Description: This beautiful semi-detached house is located in a very attractive location in the immediate vicinity of Poreč. Even if it is a duplex, the house is designed in such a way that it has perfect comfort and intimacy. It is also possible to buy a duplex together, which would result in a large house with two residential units. Even if the house is located in a quiet location, it is still close enough to the center of the village, 600 m away from the shops, post office, café bar and restaurant, and only 8 km from the sea. Due to its location, this house is also extremely favorable for family life or for rent. Each residential unit is spread over two floors. House B covers 136.20 m² on two floors. On the lower floor there is a bedroom with a bathroom, a kitchen with a living room and a toilet. On the upper floor there are large bedrooms with bathrooms and a terrace with a view of the sea. The yard will be beautifully decorated with a swimming pool and sunbathing area. At this stage, you can decide on the interior of the house. The house has underfloor heating and air conditioning. Custom ID: D-119 Remark: Viewing the property is possible with the signing of the brokerage contract, which is the basis for further actions related to the purchase and sale, all in accordance with the Act on Brokerage in Real Estate Transactions. The agency commission is determined by the brokerage contract, and is payable after the conclusion of the sales contract.
