Description

Description: Extremely attractive building land is located in one of the most attractive areas in Croatia, on the west coast of Istria with a panoramic open view of the Gulf of Tar. Given the location and opportunities, and its potential that this land provides, this

is a property that is a very attractive investment. The land located directly in the first row to the coast has a total size of 11770 m2 and is located in the construction zone. It is west oriented and located in a quiet and protected bay. There is a possibility of additional purchase of a wider area in a further series of building land. Areas of 10700 m2 for tourist purposes T2 are areas where it is possible to build hotels, villas, campsites. The land is located in the T2 zone. (Tourist settlement) Location information. Electricity, water - about 50 meters to the land. A partially paved road leads us to the plots. An ideal opportunity for investors! ID CODE: 1017-42
