#### Description

Description: In the area of the City of Novigrad intended for tourist activities and in the immediate vicinity of existing hotels, we find this spacious T2 \* building plot. \* Construction areas of economic - catering and tourist purposes marked T2 are

intended for the construction of catering accommodation buildings - types of tourist settlements from the group "hotels", in which guests will be provided with accommodation and food services, and other services can be provided for tourist consumption. With its size of 2280m2, it offers us the possibility of building more buildings. The land is flat and of regular shape, which also enables excellent organization of facilities. We recommend this property to anyone who wants to achieve an excellent return on investment in one of the most beautiful Istrian coastal towns. We are at your disposal for additional questions.
