Description

Description: Istria, Pula This is interesting for sale in Pula, not far from the city center and all facilities land with construction started. It is located in a quiet secluded street, surrounded by nature and greenery. The land has an area of 919 m², is completely fenced and started on it construction of a building in the form of a house that would consist of two floors of 90 m². The first floor has been completed in the form of a semi-buried building that could be used as a basement or as a separate apartment and there is a possibility of raising another floor above. There is also a water supply well on the land. Great opportunity to buy land near the city where a family house could be located or a holiday home. ID CODE: 1006-119
