### Description

## Description:

ISTRIA, ŠTINJAN - Modern duplex house in an excellent location Štinjan is a tourist village in the northwest of Pula. In recent years, it has become very popular due to its position on the Brijuni Riviera and attracts more and more visitors during the summer months. Newly renovated beaches with access for the disabled, showers, changing rooms, playgrounds, cafes and restaurants along the coast, a bicycle path and a long landscaped promenade that goes all the way to Peroj in the north, untouched nature, and beautiful sunsets and a view of the Brijuni archipelago make Štinjan even more attractive. House has an area of 170.52 m<sup>2</sup> and consists of an entrance hall next to which there is a laundry room and a toilet, and on the other side a wonderful view of the open space living room with access to the terrace and yard, and a kitchen with a dining room. We climb the internal staircase to the first floor where there is a hallway with access to a spacious terrace, two bedrooms with private bathrooms and access to a common balcony. The entire property has underfloor heating and is equipped with four inverter air conditioners. The house has 172 m<sup>2</sup> of garden, which offers the option of building a summer kitchen and barbecue at the request of the new owners. There is parking for three vehicles in front of the entrance. The house is sold fully furnished, and due to its appearance, very quiet location, which is only 2 minutes by car from the first beaches, we consider it perfect for starting a family life or as a return on investment for the purpose of renting for tourist purposes. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions.
