Description

Description:	<p>ISTRIA, LIŽNJAN - Agricultural plot near the sea In the very south of Istria, on a hill always bathed in the sun and caressed by the fresh wind, is located the picturesque Ližnjan, which calmly overlooks the clear blue sea and the Kvarner islands. Its history is truly fascinating, as told by the sites of a settlement over 7,000 years old, the remains of Roman villas, pieces of amphorae and old sunken ships that are still found in its seabed, old lighthouses that still show the way to sea travelers today, the picturesque port reveals that its inhabitants are engaged in fishing even today, as they were thousands of years ago. The coast of Ližnjan has as many as 28 kilometers of truly beautiful and untouched beaches where it is still possible to find a lonely piece of beautiful coast where the only company is the sound of waves and the song of crickets. In the beautiful Ližnjan described above, not far from the sea and beautiful beaches, there is an agricultural plot. The agricultural land has an area of 950m² and has a regular rectangular shape. The surface of the property is flat and partially overgrown with low branches. The access road is macadam. Ownership 1/1. No burden. Property from which you can walk to the beach in less than 10 minutes! Certainly a beautiful property, worthy of your attention! Dear clients, the agency commission is charged in accordance with the General Business Conditions: www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 24989</p>
