### Description

Description:	<p>KRK ISLAND, KORNIC - Stone house Semi-detached stone house 90 m2, in autochthonous style, spread over two floors; ground floor and 1st floor, with separate entrances. On the ground floor there is a kitchen with a dining room and a living room, a bathroom and a toilet. An internal staircase leads to the first floor, where there is an open space area that is currently a bedroom, from which there is access to a spacious terrace with a view of the city. The house also has an outside entrance. The house is maintained, has PVC joinery and is fully equipped. It has a garden and parking spaces for several cars. Today, we know Krk as a tourist destination of exceptional cultural and artistic heritage, where the ancient Splendidissima Civitas Curitarum (the splendid city of the people of Krk) lives in harmony with the bustling character of modern times. The ideal geographical position is an advantage that the island of Krk used to value very well as a tourist. We are talking about the proximity of the mainland to which twenty years ago a bridge was added connecting Krk to the mainland, thus making it even more accessible. Good traffic connections have made the island of Krk a favorite excursion destination, but also the other way around: the island can be used for meaningful one-day trips. For example, a trip to the Plitvice Lakes and North</p>

Velebit National Parks. True explorers will definitely want to get to know Rijeka - the center of the Primorsko Goranska County, and they will connect their stay in Rijeka with an unavoidable visit to Opatija - the tourist "pearl of the Adriatic". A one-day trip to Istria will be very interesting, where we recommend staying in its central part rather than on the coast! Finally, the island of Krk is connected by a ferry line to three islands: Rab, Cres, Lošinj, which can also become destinations for your day trips. Dear clients, the agency commission is charged in accordance with the General Business Conditions
