Description

Description:	ISTRIA, LABIN - Modern design house with swimming pool On the southeast
--------------	---

coast of Istria, where the green hills meet the sea, where nature and heritage meet, there are two towns of similar size but with different but mutually complementary characters - Labin and Rabac. The picturesque town of Labin rises on a hill 320 meters high, only five kilometers from the white pebble beaches in Rabac. Intertwined with rich history and mining that marked this region, Labin, which was declared an independent republic for a short time, is today a fascinating city of contradictions; old and new, history and present, tourism and art. Not far from the town of Labin, a house of modern design with a swimming pool is for sale. The property is characterized by a convenient location, quality of construction and modern design, which is characterized by a regular geometric form and regular lines in the space, as well as a modern interior of harmoniously arranged rooms and an airy space divided into two floors. The ground floor consists of an open concept space that unites the living room, dining room and kitchen with access to the terrace. The floor plan of the ground floor is completed by two bedrooms with their own bathrooms and a guest toilet. The first floor consists of two bedrooms with private bathrooms and terraces. Complete harmony and comfort has been achieved with a minimalist garden, which contains a 32 m² swimming pool with a sun deck. The location, structure and comfort make this property an ideal opportunity for a peaceful family life as well as an investment for the purpose of tourist rental. The stated price refers to the turnkey phase. The planned completion of the works and handover of the property is expected at the end of 2024. The seller of the property in question is a legal entity. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions: www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 17909
