Description

Description:	<p>MOTOVUN, ISTRIA - MOTOVUN HILLS project The project was designed as a combination of modern construction in the beautiful surroundings of the Motovun hills, which gives the final product soul and character. Motovun and Motovunština are one of the most famous and desirable micro-locations for the cultivation of vines and fruit trees, offering a handful of world-class products, from the best Croatian "super" Teran of the Benvenuti family to domestic fruit trees from local producers. All this adds to the importance of this location, which is becoming more and more popular. The land is located near Motovun, which consists of a land area of 4175 m², completely within the construction area. The project documentation for 4 villas with a swimming pool and the obtained construction permit is ready to be handed over to the investor, who by purchasing this project will get an unusual opportunity to own the property, which is purchased according to the BUY - BUILD principle, and work can be started immediately after the notification of the start of construction. The land has direct access from the paved road, and next to the land there are all the necessary electricity, water, sewage and telephone connections. PROJECT DESCRIPTION: *1. and 2.
