Description

Description: ISTRIA, LABIN - A house with a spacious garden in the suburbs On the

southeastern coast of Istria, where green hills meet the sea, where nature and heritage meet, there are two towns of similar size but with different but mutually complementary characters - Labin and Rabac. The picturesque town of Labin rises on a hill 320 meters high, only five kilometers from the white pebble beaches in Rabac. Intertwined with rich history and mining that marked this region, Labin, which was declared an independent republic for a short time, is today a fascinating city of contradictions; old and new, history and present, tourism and art. In the suburbs of the town of Labin, a house with a spacious garden is for sale. It is located in a gentle environment, far enough from the crowds and noise, yet close to all commercial, cultural, educational and recreational facilities. The distance of one kilometer to the city center guarantees complete comfort, while the quality of construction guarantees long-term satisfaction and quality of housing. A house of timeless design reveals all the beauty of simple exterior architecture. It is defined as a one-story house consisting of one tastefully decorated and quality-equipped residential unit with an emphasis on comfort. A functional, airy living space with plenty of daylight and warmth throughout the day is clearly defined and utilized to the maximum. It consists of an open concept space that unites the kitchen, dining room and living room with access to a covered terrace, three bedrooms, bathroom, guest toilet, laundry room, storage room and utility room. Heating/cooling of the house is provided by air conditioners and central heating via a pellet stove. The yard is fenced and well-kept and offers various options for additional decoration in accordance with personal preferences. This property in an excellent location is an exceptional opportunity for a comfortable family life as well as an investment investment in the tourism rental business. Dear clients, the agency commission is charged in accordance with the General Business Conditions: www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 25207
