Description

Description:	Building Land, 948m2, Mali Iž A building plot with a sea view, measuring 948m2 on the island of Iž, in the village of Mali Iž. There is a road leading to the plot, and it's just 200 meters from the sea, i.e., the local port. The island of Iž is located between the islands of Ugljan and Dugi Otok and is approximately 14 nautical miles away from Zadar. It is excellently connected to Zadar and remains free from mass tourism. Here, you will find something that has been somewhat forgotten, something that only small, hidden islands can offer - complete tranquility. And what we have all surely forgotten is the people who make each place special. For beach enthusiasts, there are plenty of options. Mali Iž boasts 10 exceptionally beautiful coves, some with pebbles and others with sand. These include Mala Dumboka, Šolova, Peščenice, Pardeščak, Mali Vodenjak, Bršanj, Komoševa, Knež, Dolinje (Tražet), and Svežina.
