### Description

|              |  |
|--------------|--|
| Description: | <p>A plot of land near Barban with a total square footage of 641 m<sup>2</sup> is for sale. The land is flat, without slopes and on an elevated part. It is ideal for the construction of a family house or for investors because it is located within a complex of several building plots that are intended for the construction of a settlement with several villas. The land has a marked access road. Water and electricity are located next to the land. There is no sewage network, therefore the installation of a septic tank is necessary.
