Description

Description:	<p>LABIN - EASTERN PART OF THE ISTRIA PENINSULA The medieval town of Labin is located on a hill above Rabac. His old name Albona was first mentioned in 285. The birthplace of Matija Vlačić Ilirik, a reformer and associate of Martin Luther, is today a cultural and administrative center. The rich cultural and architectural heritage of Labin has been brought to life by numerous art studios and the bustling gathering of young people in coffee bars scattered around the old town. After walking through the narrow streets of the Old Town, enjoy the view of Rabac and the island of Cres from the Fortress. Right in this charming town, a beautiful house with a yard and a garage is for sale. The house extends over the ground floor and first floor. On the ground floor there is a kitchen with a dining room, a living room, a bathroom and a small storage room. A tiled staircase leads to the first floor, where there are 2 extremely spacious bedrooms. The house is</p>
