Additional information

Infrastructure: Electricity

Description

Description: Jadranovo - sale of construction land, 550 m2! We are selling a building plot in Jadranovo of 550 m2 with a building permit and a project for the construction of a family house. On the upper side, there would be a single-story house, and on the lower side, a tavern and a garage are planned below. It was made this way because of the conception of the terrain, which is slightly sloping. There is electricity and water (paid utilities) on the land, and if the existing project suits him, the future buyer can start building. Sea View. Pure ownership.
