Description

Description: Barban, surroundings, building plot with construction started. Not far from the very center of Barban, there is a building plot with a total area of 2046m². The land has a flat surface and a regular shape, and all infrastructure is in the

immediate vicinity. The plot is located in a quiet neighborhood and is the last in the construction zone, giving you complete peace and privacy. The living area of the building is 290m². According to the conceptual design, there are two bedrooms on the ground floor, a dining room connected to the kitchen, a spacious living room, a bathroom, a toilet, a storage room and a wine cellar. The second floor, which is intended for the gallery, has an entrance hall, a bathroom, a bedroom and a living room. Due to its location, the property is ideal for family life or a tourist rental precisely because it is close to all the necessary facilities, but it also offers you peace and complete privacy.
