caves, it is the right place to get in touch with nature. Green, healthy and sustainable tourism is characteristic of this municipality, which is impressive in terms of surface area, but also in terms of culture and gastronomy. The picturesque territory of Žminj has 33 settlements and 112 villages. Not far from the center of Žminj, a building of modern design is under construction, which extends through the ground floor and two floors and contains a total of eight residential units. Durable and reliable materials are used in the construction, which guarantee long-term satisfaction and security of housing. The space planning of each floor was carried out in detail, which resulted in a high-quality layout of the rooms, which guaranteed the full use of the space. The object of sale is an apartment with a total area of 67.66 m², located on the ground floor of the building. It consists of two bedrooms, a bathroom and an open concept space that unites the living room, dining room and kitchen with access to a covered terrace. Parking spaces and apartment gardens on the ground floor of the building are purchased separately according to the corresponding calculation coefficient. This apartment in a new building within walking distance of shopping, cultural, educational and recreational facilities is an ideal opportunity for a comfortable family life as well as an investment for the purpose of tourist rental. The project is currently under construction, it is for sale on a turnkey basis, and the handover of the apartments is planned for the end of 2024. The seller of the property in question is a legal entity. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions: www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 25240
