Description

Description: On the beautiful southwestern coast of the Istrian peninsula is a small coastal village called Peroj, a village rich in historical heritage, and beautifully located with a beautiful old town. The old town and most of the basic facilities in Peroj are located on a beautiful hill that offers a beautiful view of the sea and the Brijuni Islands. . It is in Peroj that there is a beautiful agricultural land of 1161 m2 in a great location. The land is rectangular in shape, bordered by a dry stone wall and contains about twenty old olive trees, beautifully landscaped land and flat land on it. The necessary infrastructure is located right next to the land, electricity just a few meters from the land, and water also passes along the road from which you go directly to the land. The land is also located only 900 meters from the nearest beaches, and all other facilities from shops, restaurants, schools, kindergartens are very close to it. The land or land area is currently being sold in CO-OWNERSHIP 1/2, and there is a possibility of agreement with the seller for the parcelling of the same. This land is a unique property due to its location, and provides the future buyer with an excellent investment to enjoy it and the opportunity to engage in various activities, and a quick return on investment. I am at your disposal for more information and/or a tour. MICHAEL RADOLA Mediation assistant Mobile +385 91 575 3640 Phone +385 52 639 276 ID CODE: IS104375
