especially through various events that take place in extremely attractive historical areas of this town. In the medieval castle of the Morosini-Grimani family in the summer months, programs take place as part of the Istria Ethno Jazz Festival, and the nearby beautiful main town square and surrounding areas are the stage of the traditional Festival of Dance and Nonverbal Theater. Just a few kilometers away from the center is this modern house with a swimming pool. The house is located in a quiet location surrounded by holiday homes and family houses. It extends through four floors, basement, ground floor, first floor and attic. The ground floor has a kitchen with dining area, spacious living room, bathroom, storage room and a covered terrace with fireplace. Upstairs are 5 bedrooms with their own bathrooms and a terrace overlooking the pool, sea and greenery full of meadows and forests. From the living room there is an exit to the covered terrace and the garden where there is a pool of 53 m². Within the pool is a beautiful Istrian kažun. The house has underfloor and central heating and 6 air conditioners that are distributed in all rooms of the villa. In the basement is the engine room where there is a boiler for hot water obtained from solar panels. Heating and cooling is by eight air conditioning units distributed in all rooms of the villa. The windows have quality PVC joinery, the floors are ceramic and laminate. Within the fenced garden of 599 m² there is a parking lot with one covered garage. Next to the pool is a sun deck and a stone barbecue. The villa is located in a quiet street without traffic and close to beaches and tourist centers and essential amenities for life. It is fully furnished and as such is for sale. This property is ideal for lovers of peace and nature and for investors who want to rent for tourist purposes.
