### Description

Description:	<p>Fažana is a beautiful small fishing village located in the southwest of Istria near the Brijuni National Park, and in recent years is known as one of the top tourist destinations in Croatia, thus attracting a large number of visitors, and is also suitable for short-term investments . Precisely in Fažana, near the beautiful beaches and the Brijuni archipelago, is located this building plot of 1,350 m<sup>2</sup> of rectangular shape. The land is located in a great location just 450 meters from beautiful beaches and very close to all amenities, beautiful beaches, parks, shops, schools, post office, kindergartens, playgrounds, banks, bars, restaurants, etc. The land has a large number of olive trees which are carefully maintained and provide a large amount of olive oil, and offers the possibility to the prospective buyer to partially stay on the plot, all in accordance with the agreement with the seller. All the necessary connections are located near the land, and the access road is in the final phase of implementation, so that it would be possible to obtain a building permit for construction on the same. Due to its location, this land is a unique property in a very attractive position, and offers a handful of opportunities to future buyers in terms of building a facility for catering and very fast return on investment or building a facility for a pleasant family and everyday life.
