Description

Description:	<p>A unique property for lovers of peace and good energy. The property is designed as a small station or boutique heritage hotel. These three stone houses are ideal for a blend of modern and indigenous design. The stone houses are located on a plot overlooking the sea, in the relaxing landscape of the village Barat, and whose basic conceptual element would be a harmonious and functional combination of traditional architecture, nature and man, but in a special and slightly different way of architecture and interior design. through a story of tradition in a new guise that would become a new enduring value for the future! The jewel of the landscape in Barat is a unique complex of three indigenous stone houses with a floor area of 230 m² that surround this magnificent estate on a plot of 1943 m² with an auxiliary building of 58 m². The stone beauties are semi-built, the floors are partly</p>
--------------	---

P + 1 and P + 2. For all those who dream their dream and want to realize it in Istria. In a nice place in Istria, in the village of Barat, stand proudly three stone houses in a row and call to be renovated and to get their new soul and magic that new homeowners will enjoy to the fullest. For them, there is already a preliminary design for a future smaller hotel with associated facilities or at the customer's choice, but all in agreement with the future investor. So, from the upper floor of the stone houses there is that unique view of the sea and the beauty of nature and the clear blue sky. In a beautiful garden surrounded by dry stone walls there is an old well and a front door dating back to 1925. In the center of the yard proudly grows the old Ladonja, which provides God-given shade in the summer for great heat. The village also has an old Romanesque church, a playground and a bowling alley for leisure and relaxation. The immediate vicinity of Sveti Lovreč (10 min) provides everything basic such as shops, cafes, restaurants and other service activities. The historic tourist towns of Rovinj and Poreč, as well as the first beaches are located 35 minutes from Barat, as well as the connection with the highway (10 minutes) that connects you with the airport (40 minutes) or further with Italy or via Rijeka with the rest of Croatia and further. The price of the property includes the design and conceptual project according to the buyer's wishes with 3D interior and exterior and a building permit. ID CODE: 66537
