Description

Description:	<p>This modern beauty with a swimming pool is located in a romantic and quiet village 10 minutes drive from the center of Pazin. Because of everything it offers, it is certainly one of the better opportunities that will delight even those with high standards! Apart from being located on an 11,000 m² property that guarantees total privacy, the quality of construction and comfort within the housing units is unquestionable. The house has two residential units and is decorated with quality furniture. One unit is a duplex apartment that on the ground floor has a large 'open space' living room with kitchen and dining area, bedroom and bathroom, while on</p>

the first floor has two more bedrooms that have access to a terrace of 18 m2 and each has its own bathroom. The second unit is an apartment consisting of a kitchen, dining room and living room, bedroom and bathroom. The house is equipped with air conditioning and central heating. In addition, there is an unmissable pool of about 50 m2 and a spacious covered terrace, perfect for enjoying with deck chairs, umbrellas and barbecue and a small sun deck. On the property there is another building within which we have another two bedroom apartment and garage. There is also a children's playground and a large, for now, unused meadow with potential! Whether you want it for yourself or as an investment opportunity, you will not make a mistake in your decision, because by buying this type of real estate, the investment will be justified.
