Description

Description: Istria, Poreč, Kastelir On the west coast of Istria, surrounded by lush Mediterranean vegetation that blends with olive groves, vineyards and fields, is the Municipality of Kaštelir-Labinci. Two places - Kaštelir and Labinci, tal. Castelier - S. Domenica, were gradually upgraded over the centuries, which resulted in their rapprochement, to today form one place, located ten kilometers north of Porec. It is on this hill that a new modern villa is for sale, with a beautiful view and a swimming pool. This Villa is an ideal investment because it actually connects 2

houses in 1. Most of it brings 300 m2, living area with 4 bedrooms and with private bathrooms, living room and kitchen making a large open space where you directly go to the terrace with pool. The second part of the house is 150 m2, and it contains 3 bedrooms with two bathrooms, living room and kitchen, and its own entrance on the other side of the villa. Heating and cooling takes place via heat pumps, and a "fan coil" system throughout the house. The house is under construction, currently a smaller part of the house of 150 m2 is being completed. Very interesting project because it contains two houses in one and is thus an ideal opportunity for investment and vacation in quiet nature with a beautiful sea view, also the house is close to all necessary amenities for life (School, Kindergarten, Restaurants, Shops, etc.) For all information and testing, contact us with confidence Domagoj Soljacic +385 99 44 33 659 ID CODE: IS9413
