Description

Description:	<p>Fantastic agricultural plot, partly high quality cultivated land, partly fairy-like forest! This large, dry stone framed plot is situated on a slight slope with a good access road, above pretty, neat village close to Svetvincenat. In the last few years the village has managed to position itself high on the tourist map of Istria mainly due to a number of nicely positioned, very popular holiday villas. A great potential for a family farming/agroturism, organic farming, self sufficiency and life with nature. We offer one more large agricultural plot in the same location, this one with a project and permission for two tourist properties and one farm building. https://www.dogma-nekretnine.com/land/land-stokovci-svetvincenat-20274m2 An opportunity for a quality living and work in a beautiful rural location!
