Description

Description:	<p>One and only town of Rovinj is situated in western Istria, just below the Lim fjord. The right destination for all those who seek a sentimental atmosphere of a time long gone. Rovinj started its romantic journey on an island whose lack of space meant tight buildings, narrow streets and small squares still preserved from the modern architecture. The town is dominated by a baroque church of St. Euphemia with 60 m high tower with a view over red-grey roofs and chimneys, narrow streets and squares, ship harbor and marina. This comfortable 95 m² apartment is located in one of the most beautiful and famous Old town streets, only 20 m from the sea and 30 m from the main market. The apartment occupies the third floor of a building with only five apartments, two roads away from the sea. The building has</p>

a good access, a large hall at the entrance and wide, good quality staircase. All windows have the sea view. The apartment was completely renovated in 2016. and comprises two separate suites each with its own bathroom, open plan kitchen, dinning and sitting room, one suite with one double bedroom and second with a double and a single bedroom. Both are in use as 4 star tourist apartments, very popular, with reservations that well exceed an average for private accommodation. On sale together only. Public car park 20 m away. ID CODE: 4724
