Description

Description:

Dramalj, DETACHED HOUSE WITH THREE APARTMENTS, possibly four, with a wonderful panoramic view of the sea! This is a particularly beautiful house only 500 m away from the sea-beach. It is located on a plot of 1000 m², with lots of greenery and tall trees, which gives a private atmosphere and deep shade, welcome on hot summer days. The house is located in a quiet, residential part of Dramlje family villas, without a view of the apartment buildings. In the basement of the house there is a garage, three rooms, kitchen, bathroom, toilet, and two external storage rooms, which can be converted into apartments. Since the land on which the house is located is in decline, each of the two upper apartments is partially first floor and first floor second floor. Therefore, each apartment of 120 m² has a large living room, three bedrooms, a kitchen with a dining room, a bathroom with a toilet and a separate toilet, and a large terrace of 60 m² that can be accessed from three rooms. The terrace of the lower apartment is covered. The apartments also have a balcony and exit to the garden. The attic is the same with an area of 120 m², with two balconies, one as long as the width of the house and one slightly smaller with the possibility of exiting them. Since the attic is high, it is also possible to arrange a large apartment there. The house was built in 1976, and the last renovation was done in 2005. It is possible to provide 5-6 parking spaces on the plot, and the house has a use permit. The spacious garden offers the possibility of building a swimming pool, a garden house, which makes this property an excellent choice for a comfortable family life or an investment. ID CODE: 2402
