Description

Description:

ISTRIA, MEDULIN - A project of luxury apartments near the beaches and the center of the village. We offer an interesting project of new luxury apartments with the planned start of construction in 3 months of 2024. The project consists of two residential buildings, each of which contains 3 residential units, and each residential unit will be located on its own floor of the building. That is, the buildings are of one volume, elevated ground floor + 2 floors and one basement floor for storage. Both buildings in the project contain their own outdoor heated swimming pool, which will be covered with high-quality mosaic, and the garden landscaped with greenery and lighting. Pictures of the building, the possible decoration of the apartment and the floor plan are visible on the ad.

INFORMATION ABOUT THE APARTMENT: Apartment A2, located on the first floor of building "A", has a total living area of 133.36 m²; Within the mentioned square footage, the apartment consists of an entrance hall that separates the private space of the apartment from the space for everyday life. Thus, there are 3 spacious bedrooms in the private space, each of which has its own bathroom. Then there was an additional guest toilet and a laundry room. At the end of the corridor there is a spacious and sunny "open space" area with a comfortable spacious living room, kitchen and dining room. From the living room there is access to the outdoor covered terrace. The apartment has one outdoor parking space and one parking space in the garage. **ADDITIONAL INFORMATION ABOUT THE APARTMENT;** * All apartments will be equipped with top-quality equipment from renowned domestic and foreign manufacturers, and first-class three-layer oak parquet will be installed, as well as high-quality Italian ceramic tiles of larger dimensions. * Underfloor heating is included in the price and will be installed in all rooms of the apartment. * Included in the price is the installed heat pump for hot water regulation. * Each bedroom and living room will be air-conditioned with high-quality inverter air conditioners. In the current phase of construction, the customer has the right to choose ceramic floors and influence certain design elements. The investor also offers buyers the option of decorating and furnishing the apartments as shown in the pictures, with a pre-agreed surcharge. **LOCATION:** The location where the buildings are located is ideal for peaceful and safe family coexistence. Only a few short minutes away are shops and larger retail chains, a school, a kindergarten, as well as the famous Medulin waterfront, numerous beaches and a marina. In addition to being ideal for families, the location is also ideal for all those looking for their own corner of peace during or out of season, as well as for all those looking for an opportunity to develop a luxury tourist offer. VAT is included in the visible price on the advertisement, and the buyer has no obligation to pay real estate sales tax! For more information or to organize an appointment to view the property, feel free to contact us! Dear clients, the agency commission is charged in accordance with the General Terms and Conditions. <https://www.dux-nekretnine.hr/opci-uvjeti-poslovanja> ID CODE: 25539
