Description

Description:

Istria, Vodnjan, surroundings The land is located in a quiet place in the immediate vicinity of the town of Vodnjan. A place that is considered a nature reserve for nature lovers. This attractive combined land is located in the vicinity of Vodnjan. It is agricultural and construction land, which means that it offers different possibilities for use, including agricultural activities and the possibility of building residential buildings. The land has a total area of 5,053 m², of which approx. 1,500 m² belongs to the construction part. The land is rectangular in shape, which enables easy planning for construction. Basic infrastructure is located right next to the plot, which means that basic services such as water and electricity are available. The access road to the land is macadam. This land offers various possibilities for the future owner in terms of its surface area, purpose and shape. ID CODE: 1041-41
