Description

Description:

ISTRIA, UMAG - Luxurious apartment with a view of the sea The first town on the way to Istria from the north - Umag. It conquers with its variety and richness of offer. Umag is a small town that, through 45 km of coastline and an interesting hinterland, combines the peculiarities of the entire region and is perhaps the best introduction to a different experience of the Mediterranean. The city of Umag has a very interesting history. Roman nobles discovered it and decided to appropriate it as their summer residence. The splendor, opulence and glamor of those times are reflected even today in the Venetian houses of the old city core - parts of the walls and towers, as well as Renaissance and Baroque buildings and churches, have been preserved. Just a few minutes' drive from the town of Umag, only 200 meters from the sea, there is this beautiful modern apartment with a view of the sea and olive groves! The apartment is located on the 1st floor of a new, modern building with an elevator. The total area of the apartment is 81 m². It consists of a living room with a kitchen and dining room, 3 bedrooms, 2 bathrooms, a hallway, two terraces of a total of 11 m² with a wonderful view of the sea and olive groves. It is built from high-quality materials with floor heating using a heat pump and cooling using air conditioners. The apartment has a parking space for use, its own storage room, and there is also the possibility of buying a furnished basement of between 33-37 m² with a toilet. Due to its exceptional location and contents, this apartment is a great opportunity for all those who are looking for an attractive property near the sea, suitable for living or for use for tourist purposes. Beautiful beaches, various quality restaurants, cafes, promenades, bike paths, shops and various other necessary facilities are only a 3-minute easy walk away. The center of Umag is 10 minutes away by car. Dear clients, the agency commission is charged in accordance with the General Business Conditions:
