Description

Description:

ISTRIA, SVETI LOVREČ - Spacious house with five apartments and a swimming pool On the western part of the Istrian peninsula you will find Sveti Lovreč. This hidden gem is one of the best preserved medieval fortified towns in Istria. The settlement got its name from the small church of St. Lawrence, which dates back to the 8th century, while the Romanesque bell tower was added in the 11th century, and is located not far from the settlement - in the local cemetery. The circular shape of the settlement dates back to prehistoric times, when there was a castle on the same hill. Already in the Byzantine era, Lovreč was fortified with ramparts and towers, which were later thoroughly renovated on several occasions, and most of the fortifications visible today originate from the Venetian era, when Sveti Lovreč was the headquarters of the military administration of the entire Venetian part of Istria - the so-called Pazenatic. In Lovreč itself you will find everything you need for your daily stay, including a grocery store, a pizzeria, a coffee bar and an ATM, and in the nearby Lim channel, which is a famous breeding ground for fish and shellfish, there is one of the leading fish restaurants in Istria. In this hidden Istrian gem, Lovreč, a house with five apartments and a swimming pool is for sale, located on a plot of 1801 m². The yard of the house covers 1,600 m² for construction purposes. The house consists of five apartments, each apartment has a separate entrance. Two of the five apartments consist of a living room, kitchen with dining room, two bedrooms and two bathrooms. The third and fourth apartments consist of a living room, a kitchen with a dining room, two bedrooms and each has a bathroom. The fifth apartment consists of a living room, kitchen with dining room, three bedrooms and two bathrooms. Each of the mentioned apartments has its own terrace and air conditioning. From the terraces there is an irresistible view of the greenery that surrounds this beautiful property, while in the distance you can see the sea.
