Description

Description: Istria, Kanfanar, surroundings Near the medieval fortress Dvigrad, and in the picturesque municipality of Kanfanar, which is known for nurturing Istrian tradition, there is a plot of land that is looking for a new owner. In a quiet area,

surrounded by only a few houses, it is only a few minutes' drive from the center of Kanfanar with its offer of city amenities for living and enjoying this area. Due to its quiet location, this land covers 914 m² of regular shape, and all the necessary infrastructure is located in the immediate vicinity, which ensures comfort and practicality. The location offers incredible potential for building a house according to the Po+P+I+Pk principle, which means the possibility of building three above-ground floors, and the house can have from 2 to 4 apartments, adjustable according to the wishes and possibilities of the investor. From the upper floors there is an enchanting view of the sea in the distance, adding a special charm to this place. Don't miss the opportunity and get in touch and secure your squares under the beautiful Mediterranean sun! ID CODE: 1029-516
