Description

Description: Šikići is a small village near the city of Pula, located in a picturesque part of Istria. It is a peaceful and picturesque destination with a view of the rural beauty and traditional culture of the region. Proximity to the sea also means that beautiful beaches and crystal clear seas are only a few minutes' drive away, providing opportunities for relaxation and water adventures. Šikići is located just a few minutes away from the city center, Medulin or Pješćana Uvala, making this settlement very pleasant to live in. In less than 5 minutes you can reach the expressway and the highway. This project is characterized by high-quality construction, a reliable investor and the security of your investment. The apartments are suitable for family living but also for tourist purposes. The apartments will be equipped with top-quality joinery with electric blinds and mosquito nets. Floor heating will be installed in the bathroom. The floor coverings are ceramics and high-quality laminate. At this stage, the customer can choose ceramics from the offered options. Each apartment has a parking space included in the price. Storage can be purchased additionally. This apartment, measuring 64,19

m2, consists of a hallway, a living room with a kitchen and a dining room, two bedrooms, a bathroom, a covered terrace of 13.48 m2, two parking spaces. The parking space is included in the price of the apartment. If desired, a storage room can also be purchased.
