Description

Description:	<p>OPATIJA, KOSIĆEVO- Nice apartment surrounded by greenery, sea view Opatija is located on the east coast of the Istrian peninsula, and lies at the foot of the mountain Učka. It is the largest city and the center of the Liburnian area that stretches from Plomin, along the coast and through the mountain massif. Učke and Čićarije to Rupa and Kastva. Opatija is a tourist town with a picturesque appearance. With its tradition and appearance, it stands out from other tourist towns because its, albeit short-lived, history is very vivid. Just a 5-minute walk from the first Opatija beaches, we were offered a great apartment of 60m2. The apartment is located in a quiet part of Opatija, on the 2nd floor of a neat building surrounded by greenery. It consists of an entrance hall, a living room with a kitchen and a dining room, and two bedrooms, one of which is divided by a partition into a bedroom and a study. The apartment is oriented to the north and</p>
