Description

Description:	<p>ISTRIA, RABAC - Villa with a sea view On the southeastern coast of Istria, at the place where the green hills meet the sea, where nature and heritage come together, just five kilometers apart, there are two towns of similar size, but with different but mutually complementary character - Labin and Rabac. Rabac, due to its white pebble beaches, rich Mediterranean vegetation and crystal clear sea, has been called the pearl of Kvarner. Once a small fishing village, today Rabac is an attractive tourist destination that hides a wealth of cultural events in a network of colorful streets. The green surroundings of Rabac and the picturesque hinterland invite you to adventure, research and recreation throughout the year. Luxury new building with sea view for sale. It extends to the ground floor and first floor. There are three bedrooms on the ground floor, each with its own bathroom. Each room has direct access to the terrace, which offers a partial view of the sea. On the terrace, you can enjoy the 28 m² pool with counter-current swimming or the Whirlpool spa. The terrace also has a part with a family table for enjoying a</p>

summer lunch or dinner, all of which is covered with special bioclimatic pergolas that can be opened or closed as needed. A staircase with a glass railing leads to the first floor of the property. On the first floor there is a beautiful modern kitchen that is fully equipped to the smallest detail, a dining room and a living room with an open view of the sea. On the first floor there is also one bedroom with its own bathroom, which also has a wonderful view of the sea. The external blinds are controlled via WIFI or an automatic switch. The villa is fully equipped with underfloor heating on a heat pump, a 7.5 kw fireplace in the living room and air conditioning inverters in all rooms. It is also equipped with a solar power plant that fully covers electricity consumption, thus it also has a charger for electric cars. The entire property is also equipped with a SONOS speaker system, so you can control different devices with your voice commands via the virtual assistant 'Alexa'. Among the security systems, it has a surveillance system consisting of 3 cameras controlled by a mobile phone, and an alarm device.
