the skillful fishermen sail into the port. At a time when Opatija did not yet exist as a fashionable tourist destination, Volosko was the seat of the district, a commercial port and an administrative-administrative center. Today, Volosko is also synonymous with good gastronomy - from typical taverns and fish markets where you can enjoy local specialties, to top restaurants that have found their place in the most prestigious world guides for gourmets - Volosko offers all this, and much more. Discover gastronomic delights, learn fishing secrets, relax on the terrace of a cozy café by the sea. Let yourself be carried away by the charm of Voloski!
