Description

Description:	<p>For sale is an unfinished house in Ližnjan, located on an extremely attractive building plot of 1113 m², only one kilometer from the coast of the Adriatic Sea. This Roh-bau house, which is currently under construction, has a planned area of 400 m². There is already a smaller 100 m² storey building on the plot, including a spacious 100 m² basement. All necessary communal connections, including three-phase electricity, water and a two-chamber septic tank, are already available. The ground floor of the house is spread out as a spacious living room with a kitchen and dining room, and an elegant bathroom. Two bedrooms, a bathroom and a balcony with a wonderful view are planned on the first floor. The back of the house includes a spacious terrace of approximately 20 m², ideal for enjoying quiet</p>

moments. The floor plan of each floor is 48 m², and the PVC joinery is currently being installed, which will significantly improve the home's energy efficiency. The house has a valid building permit, giving the future owner the flexibility to continue construction according to his own wishes and needs. Access to the plot is easily achieved from the public area. This property provides an excellent opportunity for those who want to create their dream home in a peaceful environment, while enjoying the proximity of the Adriatic Sea. The favorable location, together with the possibility of customization according to personal preferences, makes it an ideal investment for those looking for a combination of comfort, privacy and proximity to nature. For any additional information or to arrange a viewing of the property, please feel free to contact us. Important to note, the tool in the pictures is not included in the price and is not for sale.
